## International Footwear Conference

This year, the 39th International Footwear Conference (IFC) will be held in Hong Kong, which allows the local and Asian industrialists to share market information and novel knowledge. Through the mini showcase, participants can experience technical strengths of Hong Kong footwear industry and get inspired.

IFC aims to provide a communication platform for the global footwear and allied industries, for exchanging business information among members, enhancing regional collaborations, seeking opportunities to promote win-win technical cooperation for footwear industry and upgrading their capabilities.

### Open Discussion Forum

The forum provides a platform for experts and stakeholders to share their views on the development of global footwear industry, knowledge and experience with all participants.

### Mini Showcase

Local footwear industrialists along the supply chain will demonstrate their latest achievements, inspiring more innovation for footwear industry.
